## RUSSLEY GOLF CLUB

**Inspiring the next generation of golfers**

## What is Futures?

Futures aims to capture the imagination of young people of all skill levels and backgrounds to be active for life, meet new friends, develop valuable life skills and provide opportunities for families to learn and play together.

That's why it's more than a game, it's an investment in brighter futures. To get started in golf, there are always opportunities. You can just have a go on the practice range, learn new skills through coaching or play with your friends on course.

## Our Club

Russley Golf Club has made the commitment to inspire the next generation of golfers and is recognised by New Zealand Golf as working towards:

- Creating a welcoming and friendly environment for young people.
- Affordable coaching and membership options for young people and families.
- Forward tees for young people and parents to learn and play together.
- Positive coaching experiences.
- Regular playing opportunities for all levels of ability.
- People who are invested in the outcomes of young people.

## Progressive Development Stages

Futures has three progressive stages to inspire a lifelong love of the game. Each stage has offerings for coaching, playing formats, events and experiences to support young people to learn at their own pace and are appropriate for their stage of development.

New players who are starting their journey in golf have the opportunity to learn new skills, have fun, make new friends and can just have a go at smashing balls, hitting targets and watching it fly!

Young golfers who are growing a love for the game, have the opportunity to learn valuable life skills through golf, and develop their confidence and skills on modified course lengths.

Young golfers who have aspirations to develop their skills as a player, loves the game for the personal challenge and variety of competitive opportunities, but also for those who enjoy being outdoors and playing for fun with their friends and family.

**Enriching the lives of young people by creating experiences that inspire a lifelong love of golf**
